**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner and I support broadband competition. I use a competitive telephone and internet provider and believe that competition is important.

Broadband is critical to my work and home life.

Please protect access to competitive broadband service. I urge you not to dismantle critical components of the 1996 Telecommunications Act, disabling competition and eradicating consumer choice.

Thank you!
